Description

TECHNIPLAST 1000 colorless matt varnish, polyurethane matt varnish 2kg - 2kg

Two-component, colorless, matt polyurethane resin for coatings and floors. For use in all floor systems. The product is easy to apply, has high chemical, mechanical and UV resistance.

Characteristic:

resistance to UV radiation and other weather conditions

high chemical and mechanical resistance

simple application

matte finish

low viscosity

Request:

for protection of coverings and floors in all floor systems

Application:

Apply to the surface with a special varnish roller using the cross method. To avoid streaks, the last painting should be carried out in the same direction as the weight of the roller, without pressing it against the surface.

Wear:

0.1-0.15 kg/m²

Available packages:

2kg, 4kg, 8kg
